CHAIR'S MESSAGE

This year marked the 40th anniversary of The Library Foundation. While we are humbled by what we've been able to do in the past, we are even more excited to look towards the future and provide funding for the Topeka & Shawnee County Public Library to grow what it offers to our community.

That is all thanks in part to the generosity of our donors, YOU! On behalf of the thousands of people who benefit from using our public library, thank you for your constant support. We look forward to working with you in the future!

The last two years have been trying, but as we exit from the pandemic, the future of our library is on strong footing. Through your support we were able to continue funding gallery exhibits, musical performances, youth education experiences, Red Carpet visits and so much more!

TOPEKA & SHAWNEE COUNTY PUBLIC LIBRARY
THE LIBRARY FOUNDATION

The Wilder Society recognizes donors who have included The Library Foundation in their estate planning or have committed to an annual lifetime gift. Through blended and deferred gifts, bequests, trusts, and other planned giving instruments, these thoughtful individuals support the library's future impact by generating funds to enrich, not replace, traditional tax-based support for strategic library initiatives.

LIBRARY CEO MESSAGE

Topeka & Shawnee County Public Library Mission: *Sparking curiosity and connecting our community through literacy and learning.*

Our library continues to be the place where inspiration and creativity happen every day. As you walk through the library, you can see young children singing and dancing to a fun and engaging story time in the Kids Library, adults retooling their skills or working with staff to create a resume or launch a podcast or new hobby in the Level 2 Tech Center, or families experiencing and even creating art in the Alice C. Sabatini Gallery and Reed Studio. It is an exciting and inspiring time to be part of the library. All these activities and spaces are possible because of generous gifts to The Library Foundation.

Now more than ever, the library is a trusted resource for people to read freely and access information and services they need. The partnership between the library and the Foundation enhances the library's ability to carry out its mission and vision for all who live, work, and play in our community. Thank you.
